

RICHARDSON FARMS BUYING CLUB

BUYER'S CHOICE- - MEAT C.S.A.

- 1.) You place an order directly with Richardson Farms via email or phone. We put your order together.
- 2.) You meet us at a host home or a specified location at the specified time and date. (Dates, times and location are set in advance for the whole year.) Delivery will be approximately every 4-6 weeks.
- 3.) You bring a check or cash and your cooler. We swap the meat from our cooler to yours and you take your products home to enjoy.
- 4.) You must be present or have someone representing you to receive your order. We will not leave it if no one is there to pay for it and pick it up. Also, we are on a very tight schedule - only 30 minutes at each stop - please do not be late. We cannot wait for you.

**** Our deadlines are firm (for our sanity's sake) please be sure your order is in on time!

**** The early bird gets the worm! Everything is filled first-come first-served basis.

**** There is no minimum order per person although the group must have a minimum \$1,000 order. The host will be kept informed about reaching the minimum order amount.

**** If you need to know your total before the day of deliver, you may call us at 512-446-2306 the evening before we come and we'll be happy to give it to you.
